

## **Toxic Substances Control Act (TSCA) Compliance Form – relevant to all USA orders**

All chemical imports to the USA are subject to the Toxic Substances Control Act. The ECACC Terms and Conditions of Supply state items supplied are to be used for “research purposes only” and as such cell lines and cell products being imported from ECACC qualify for R&D exemption under Section 5(h)(3) of the TSCA. However, the importer (yourself) will need to certify your compliance with Regulations 40 CFR 720.3 (cc), 720.36, and 720.78. These sections relate to procedural, record keeping and R&D requirements and can be found using the following website address: [www.access.gpo.gov/nara/cfr/waisidx\\_02/40cfrv27\\_02.html](http://www.access.gpo.gov/nara/cfr/waisidx_02/40cfrv27_02.html)

**To complete the import documentation we require a FAX containing the following signed statement:**

I certify that all chemical substances in this shipment comply with all applicable rules or orders under TSCA and that I am not offering a chemical substance for entry in violation of TSCA or any applicable rule or order under TSCA.
